

The two people that  
nearly passed out  
in the search

Com-  
pared  
to Garry,  
you look  
pale...

Um

Is it  
okay?  
Can  
you  
go on?  
You  
look  
pale

But Garry  
seems to  
be in more  
pain, no  
need...

Then, it's  
you go  
first...

Ahhh  
It's true

But looks  
like we  
can only  
use it  
once

Ah!  
Look!  
There's  
a vase  
over  
there!

Dry it,  
quickly

How did  
it turn  
into me  
taking  
off my  
clothes?  
Give me  
a break!

I'm just  
saying  
I want to  
dry her!  
How did  
it lead to  
this  
topic?

Say, you  
bastard! You're  
going to take  
advantage of  
this to take off  
my clothes  
right?!

Until your  
clothes  
are dry,  
wear my  
coat

Let's put  
Mary  
aside and  
change  
first

Thank!

# After the true end

But I've miraculously survived, do you know why?

Hello there! I'm Mary, he he he... Though I was burnt by a lighter

Go to your side and punish that troublesome guy

Wait for me, Ib, this time I'll be able to, from that place

Actually dad didn't just draw that single picture...!

But that doesn't matter anymore! I'm now special!

Didn't I tell you? There are more people that can't leave than those who get in

There's another picture, the Mary that no fans and relatives know

Though  
it's only  
my head!

Because  
now I can  
get out  
of the  
picture!

Hah

Only able to say excessive words

And I'm here showing my underwear! It's that guy's fault! Now he must be thinking about lb's underwear!

I hate Gary! Bastard! Right now he must be with my lb being all over!
